# WEST CENTRAL!

During the Junior Livestock Show last November at South St. Paul a special edition of the daily paper featured many of the exhibitors and included pictures of 4-H Club champions at former Shows. Among these was a picture of Theodore Fenske who exhibited the champion lamb from Beltrami County in 1924 when he was a 4-H Club boy. His record in club work was one of steady progress and advancement culminating in high honors and achievements.

It is needless to say that as he did excellent 4-H Club work so he will do the same kind of work at the West Central School and Station. As superintendent every student will learn to know him as a trusted counselor and friend because he has had those intimate experiences which make up the life of the average farm boy. He has an understanding of their problems, their hopes and aspirations, and will have a personal interest in their success and achievements. Mr. Fenske will maintain the fine ideals of the West Central School and will strive to translate those ideals into the lives of the young people who are enrolled in the student body.

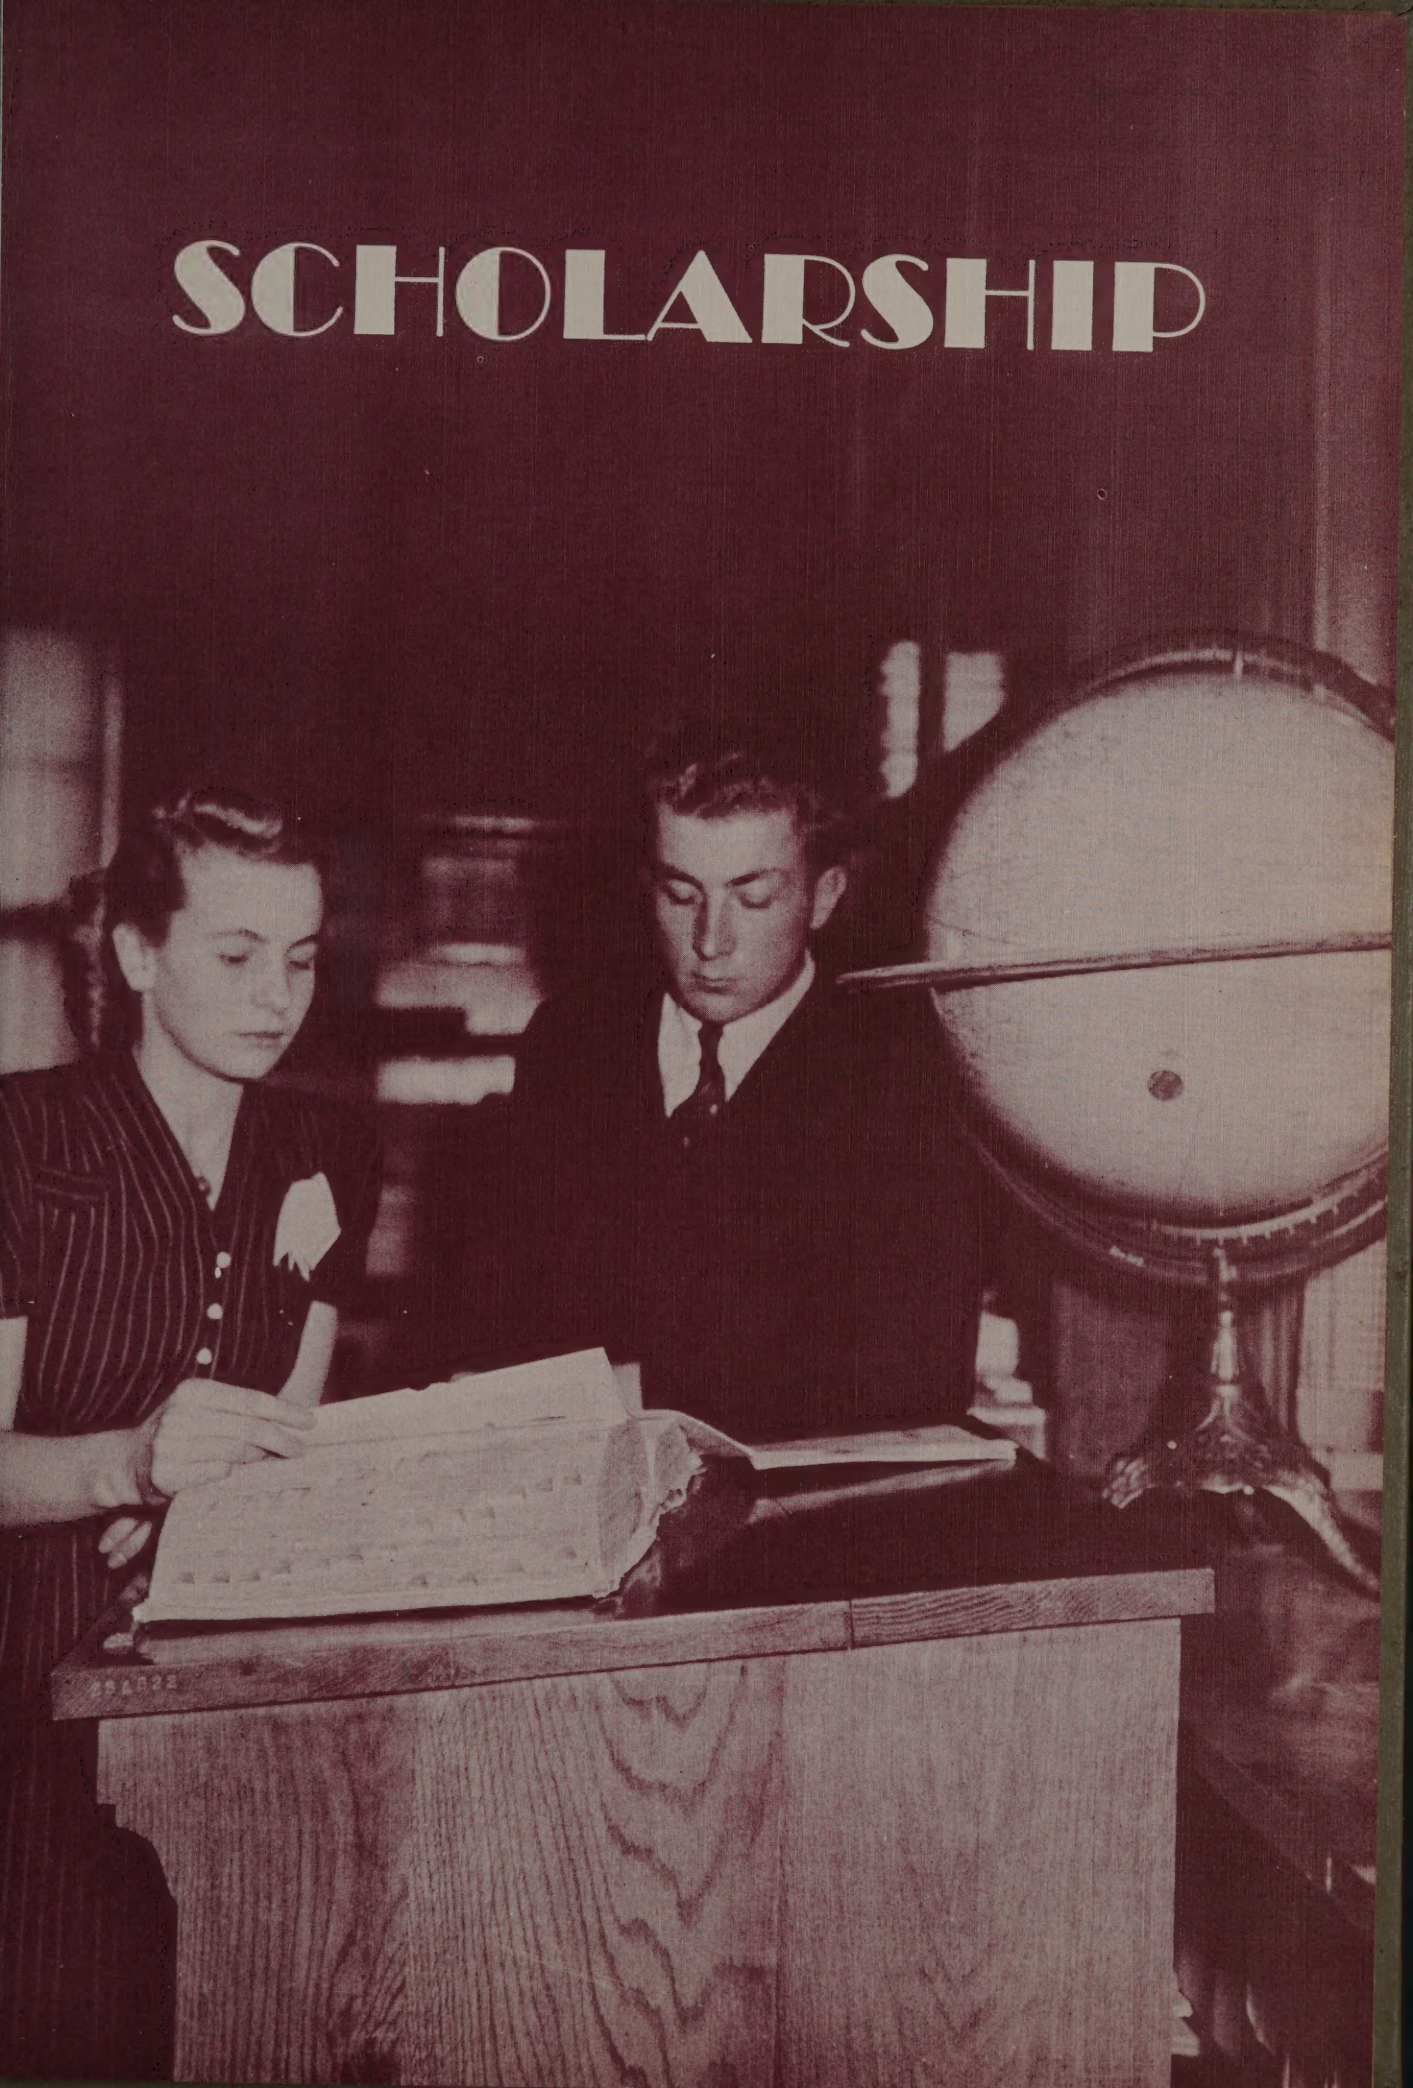
# SCHOLARSHIP



Recently I saw a magazine article entitled, "The Future of American Youth." No man can predict with any certainty the future of American Youth, or the youth of any other land. Undoubtedly one might point out possibilities or trends, but exact or detailed predictions are very likely to prove wrong.

I am quite certain of one fact, however, and that is that there is still work to be done that needs doing in a better manner than it has ever been done before. Our present day philosophy seems to be toward a system of shorter hours and easier work for everyone. Before you make up your mind that such a philosophy will guarantee your personal success in life, may I suggest to you that up to the present time, the people who have achieved success in their particular fields have almost invariably done it through hard work.

I have enjoyed my association with the members of the Class of 1939. You have contributed much to the school. May you continue to contribute to the welfare of the society in which you are to live.

# THE JUNIOR CLASS

It was evident on Registration Day that a large number of students had come to join the ranks of the Junior Class to take the place of those freshmen who did not return. The newcomers have not only added to the number of class members, but have provided a greater variety of talent which has helped the Junior Class establish a name for itself.

One of the activities which arouses a great deal of interest in everyone in the fall is football. Members of the Junior Class were no exception. A larger number of juniors than usual won places on the squad, and five boys, James Flint, Leonard Fossum, Milton Nielsen, Orvie Underwood, and Ingvor Buhl, won letters in football. Those who were not included in the squad spent their efforts toward developing a Junior Class Team which furnished competi-

tion on November 7 for an unusually strong Freshman team, and was defeated 14-0. Oiva Siira acted as captain of the Junior Team.

There are also some juniors who have won a place on the basketball squad. They are Axel Borresen, Milton Nielsen and Ingvor Buhl. The class has great hopes for its Junior Basketball Team, which they hope will make a good showing in the class basketball tournament which will be held in March. The team has had an opportunity to get in some practice for this event by playing preliminary games.

In the realm of public speaking, the juniors are represented by Leonard Fossum, Lester Huebner, Gilbert Dehne and Howard Eide, who are members of the school debate squad. These boys are working hard in the hope that they will have a chance to represent the school in the interscholastic debates which are held during the second semester.

Front Row—H. Ahlsten, J. Flint, A. Swenson, H. Graff, F. Thompson, A. Solvie, B. Ranten.

The juniors were pitted against the freshmen in the Professor Quiz program which was held in assembly. The representatives who were elected were Vivian Stark, Howard Eide, and Ingvor Buhl, who acquitted themselves in a creditable manner by amassing a total of points far in excess of that of the freshmen.

Members of the class who have distinguished themselves scholastically and whose names have appeared on the Honor Roll for October and November are Leonard Fossum, Francis Thompson, and Harold Anderson.

The most important project for the Junior Class this year is the traditional Junior-Senior Banquet. It is their aim to make this social event as successful as those which have been held in previous years.

At the first meeting of the Student Council, James Flint, one of the junior representatives was elected president. Mable Olson is the other junior member on the council.

# THE FRESHMAN CLASS

The Freshman Class is made up of a group of students who have taken an active part in the activities of the school. It is made up of approximately thirty girls and seventy boys, which makes it one of the largest groups enrolled as freshmen in the history of the school.

Very soon after school began in the fall the freshmen called a meeting for the purpose of electing officers and the representatives on the various standing committees of the school. On the Social Committee the class is represented by Orin Toso and Beatrice Beninga; on the Religious Welfare Committee by Pearl Bosshardt and Harold Drever; and on the Athletic Committee by Mabel Monson and Hero Maertens.

The freshmen lost no time in showing their determination to launch a successful career at West Central. An unusually large number of boys reported for practice on the football

field, and began learning, under the tutelage of their coach, Mr. Edson, the rudiments of football. The goal toward which they were striving was developing a team which could defeat the juniors in the annual football classic, the freshman-junior football game. This they succeeded in doing, on November 7, to the tune of 14-0. The team was piloted by its captain, Harold Drever, who called the signals, and who, with many of his team-mates, will undoubtedly furnish good material for future Aggie football teams.

At the close of the football season, the freshmen athletes turned their attention to basketball. A large number have reported for this sport as well. From this group the team which will represent the class in the class tournament will be selected. One freshman, Harold Drever, has been chosen to play on the squad.

Not all of the efforts of the freshmen have been expanded in athletics. During the months of October and November four freshmen made an average sufficiently high to place their

names on the Honor Roll. They are Kathryn Kay, Geneva Dewey, Edward Pontow, and Hector Olson. Several freshmen have responded to the call for debaters. Although they will very likely fail to make the team this year, they will gain some valuable experience. Many others are taking an active part in the musical organizations in school. Others are members of the Rifle Club. Hero Maertens and Kathryn Kay represent the class on the Student Council.

On December 16 the freshmen held a hard-time party in the Dining Hall, at which they demonstrated their ability as square dancers. Another social event of a similar nature is planned for the winter term.

The Class of 1941 promises to be an active group who will make a decided contribution to the progress of the school within the next few years.

# THE STUDENT COUNCIL

The Student Council, a new organization on our campus, was established last fall. It is the first governing body of its kind to be in existence at West Central.

The Student Council came into being as a result of the conviction that there should be some central student organization which would have a voice in school government. Another purpose was to bring students and faculty in closer contact.

Early in the fall term Superintendent Fenske and the presidents of the various classes met and drew up the constitution and by-laws which were presented to the student body at the next regular assembly meeting. There they met with the unanimous approval of the student body and were accepted in substantially the same form as that in which they were presented by the committee.

Four members were then selected from each class. These names were put on one ballot. The student body selected the two representatives from each class from this ballot. The members elected to the Council are as follows: Special Class—Lillian Petersen and Leslie Campbell; Advanced Class—Dorothy Hanson and Dale Benson; Senior Class—Dolly Petersen and Stanley Block; Junior Class—Mable Olson and James Flint; Freshman Class—Kathryn Kay and Hero Maertens.

A meeting was conducted November 3 to elect officers. James Flint was elected President; Stanley Block, Vice-President; and Dorothy Hanson, Secretary-Treasurer. Mr. A. W. Edson was selected as the faculty adviser by the Council members. Regular meetings of the Student Council are conducted the first Wednesday of every month.

The activities of the Student Council are varied. The first project undertaken by this organization was the editing and publishing of the school news. Many other activities have been taken over by the Council such as the supervision of the skating rink and the sponsorship of assembly programs.

THE MIXED QUARTETTE

E. Cook, R. Schlattman, H. Eide, D. Hanson

THE BOYS' QUARTETTE

J. Flint, T. Sandvig, C. Hammerberg, T. Pederson

## "MUSIC HATH CHARMS . . . . ."

A great number of musically talented students report each semester for participation in the musical organizations. The Mixed Chorus is always an asset to the Music Department. From this group are selected a Boys' Quartette and a Mixed Quartette. These groups appear on various assembly and out-of-town programs. During the fall term the Mixed Quartette had the opportunity of appearing on a radio program which was broadcasted over the Fargo Station. The presence of the band at football games added much spirit to these occasions. The choral groups are under the direction of Miss O'Connor and the instrumental organizations under that of Mr. Anderson.

## THE HONOR "A" SOCIETY

The purpose of the Honor "A" Society is to recognize agricultural attainment, especially leadership, in school and home communities and to promote scholarship on the campus. Members, who are chosen by the faculty, must be from the Senior and Advanced Classes, must have an attitude rating of B or better, and a scholarship rating in the upper one-third of their class.

Back Row—H. Parson, C. Hammerberg, J. Varnum

Front Row—V. Underwood, O. Erickson, F. Allen, H. Stark, G. Tripp, E. Stark, C. Amundson, A. Jorgensen, J. Sandvig, M. Lund, L. Solberg

## YOUNG WOMEN'S CHRISTIAN ASSOCIATION

Among the events and activities of the school year are those of a religious nature. These are carried on by the Religious Welfare Committee, a group made up of students and faculty. The most active organization is the Young Women's Christian Association, whose members assume the responsibility for daily morning devotions and for weekly services on Sunday mornings.

## GRAIN JUDGING

Grain judging is carried on under the supervision of Mr. Bridgford, who coaches a number of students each year in preparation for the Red River Valley Winter Shows. The three boys who have been chosen as judges and the alternate will journey to Crookston on February 6 to represent our school in competition with other agricultural schools.

K. Hanson, M. Johnson, H. Anderson, Mr. Bridgford, Coach; F. Thompson

D. Benson, L. Knutson, R. Detviler, J. Stegner, Mr. Hemming, Coach

## STOCK JUDGING

Each year a number of boys, interested in developing their ability as judges of various types of livestock, try out for the stock judging team. From this group three judges and an alternate are chosen who will compete in the Red River Valley Winter Shows held at Crookston. The team this year is coached by Mr. Hemming.

## RIFLE CLUB

The rifle range in Senior Hall is the scene of much activity throughout the school year. Preliminary tests for marksmanship are given to discover the sharp shooters, who are selected to take part in the bi-weekly matches. Valuable training and sport are acquired from participating in this activity.

## DEBATE AND DECLAMATION

Activities which offer opportunities for the development of ability to speak effectively are debate and declamation. The debate teams, coached by Mr. Prickett, will debate with teams from the Agricultural Schools at St. Paul and Crookston, and the declamation team, coached by Mr. Long will compete with the Brookings Agricultural School.

## THE ADVANCED CLASS PLAY

"The Missing Witness", a courtroom melodrama in three acts, was presented by the Advanced Class on December 16. The action of the entire play took place in a courtroom, depicting the trial of Helen Montgomery, a young musical comedy star, for the murder of Henry Kellog, late district attorney. The play had mystery, suspense, humor, and an authentic courtroom atmosphere.

Standing—E. Cook, T. Pederson, T. Sandvig, C. Hammerberg, E. Regan
Sitting—A. Anderson, Miss O'Connor, Director; L. Johannsen

## RINGS IN THE SAWDUST

The Mixed Chorus will present what promises to be a very entertaining operetta, "Rings in the Sawdust", on February 17 and 18. The plot centers about a circus owner, Toby, whose circus has a large mortgage which is at the point of being foreclosed. The operetta is under the direction of Miss O'Connor; Mr. Long is the dramatic coach.

## THE MOCCASIN BOARD

Each year the Senior Class has the responsibility of publishing a yearbook in which are pictured the activities of each successive school year. The 1937 and 1938 volumes were awarded an All-American Honor Rating. It is the aim of this year's Moccasin Board to compile a volume which will maintain the standard set by previous classes.

Standing—A. Cawelti, C. Kent, G. Works, D. Bornhoft, R. Dyer
Sitting—D. Christenson, Assistant Editor; C. Hanson, Editor; A. Christenson, Business Manager; V. Anderson, Assistant Business Manager; L. Solberg

## SENIOR CLASS PLAY

"Growing Pains" is the play which has been selected as the Senior Class Play and which will be presented during the last week of school. The story centers around George and Terry, who go through the throes of adolescence in company with others in the neighborhood. Many things happen to all of them, but the end is bright and promising.

SPORTSMANSHIP

P.S. Don't forget about the "Moccasin" board next year. Come back again. Remember the little tricycle?

Dear Tony,

Maybe I shouldn't write in your book at all but, I'll try to do it just the same although I am just about asleep. I hope you don't forget the Junior and Senior Banquet and all the time we spent working on it. Also the achievement banquet when Wanda + I came in early and thought she would campus us but she hasn't yet, any way it won't do her any good to campus us now. Remember the Sunday when we went roller skating also the times we went ice skating. Do you remember the first time I was on skates (at the Dam) When I think back it makes me laugh to think of all the funny things that have happened this year. If I do have to say so myself I think your a good sport and a good basketball player (even if you couldn't play very long because of your ankle) I'd hate to see those pictures you boys took with that telescope the other day. But just the same I wonder if you'd at least let me have a peek at them. Do you remember the week-end you went home with Kenny H. and remember our chaperons as if we needed any (ha). Remember the night of the Music recital, Senior class play etc. I never was much on writing and I guess it looks like it doesn't it. There's more to say but it would be best unsaid I think you'll remember it any way (I hope). You made a good "Treasure" Tony you'll have to be taking that office again next year or even being President what do you say. I wish Nancy Clark wouldn't talk so much about us she thinks she knows all about it but I'd say she didn't. Remember the Sunday we girls went for a hike and I thought you'd never speak to me again but it turned out different than I thought it would. The girls got mad at Wanda + I plenty of times but I think they'll might regret it some day. Remember the Sundays we spent together and after dinners. I hope to see you this summer sometime at least at "reunion" if not before I hope so.

Just before I close I'll say I think your a mighty swell boy and not just because I went with you either. I enjoyed keeping company with you this past year Tony. A friend that will always remember. (Stop end of paper) Be good to yourself

Beth Kottke

# THE 1938 FOOTBALL SEASON

The 1938 football squad was made up almost entirely of inexperienced players. In the first game of the season the alumni furnished the opposition. The twenty former players who returned for this event proved to be too strong for our boys, who were badly outclassed and came out with the short end of a 14-0 score.

On the following Friday the Freshman Team from Concordia College played our team in the second game of the season. Very much heavier than our boys, they pushed the Aggies all over the field by force. Three touchdowns in the first half and three more in the second half brought the score to 39-0.

The homecoming game was played against the boys from the Agricultural School of Curtis, Nebraska. The Corn-Huskers made one touchdown after another against our team. The boys were fast and hard to tackle, and succeeded in running up a score of 63 against our boys.

Back Row—Mr. Heine, Coach; I. Buhl, J. Flint, L. Fossum, H. Anderson, J. Knutson, Mr. Prickett, Assistant Coach; C. Kent, L. Steussy, T. Pederson, Mr. Pederson, Assistant Coach; T. Hagen, Student Manager.
Second Row—M. Gullickson, K. Baldry, M. Nielsen, C. Hanson, P. Howard, O. Underwood, R. Fitzloff, E. Hoberg, A. Christenson, S. Block, R. Skrien.
Front Row—L. Baldry, P. Smith, C. Hammerberg, A. Olsen, J. Katzenmeyer, J. Nelson, H. Parson, Captain; R. Barenthin, A. Krog, J. Parson.

The first game of the season to be played away from home was the game with the Crookston Aggies. In the first quarter neither team scored, but the boys from Crookston took a sudden spurt in the second quarter and made four touchdowns. In the second half the Aggie team made two touchdowns to Crookston's one, and the boys were forced to return to the campus without Ossie.

The Grand Rapids team came here determined to give us a hard battle. Our team, too, was set on winning. Both teams played clean, hard football, and the result was an interesting game to watch. Morris made a touchdown in the first quarter and another in the last four minutes of play. Grand Rapids made one in the last quarter, and the game ended Morris 13 and Grand Rapids 6.

Our team wound up the season by defeating the Morris High School 20-6, with the Aggies making three touchdowns and converting three extra points. The high school scored one touchdown.

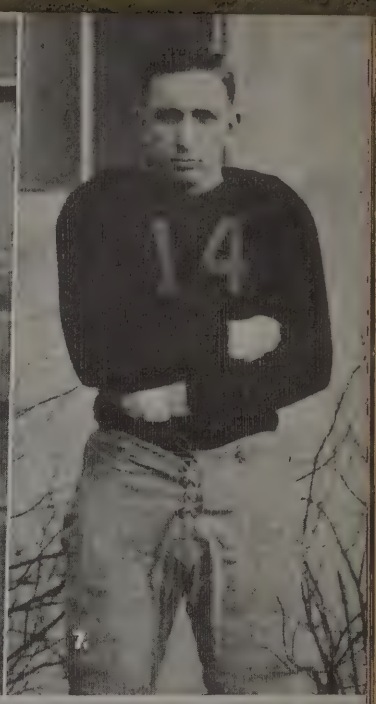
1. Coach Heine looks over the 1938 recruits.

2. Our team swings into action against Concordia.

3. Plenty of action in the homecoming game.

4. Aggie fans take in the game.

5. Nebraska Jack Rabbits hop away with the victory.



6. "We will fight, fight, fight if we lose."

7. Captain Hugo Parson.

8. We wind up the season by defeating the Morris High School.

9. "Hip, hip, hooray! We're out to win today."

10. Truman Hagen, student manager.

## THE JUNIOR TEAM

Back Row—L. Koehler, V. Mead.

Second Row—J. Schroeder, R. Rattelmiller, H. Anderson, M. Johnson, W. Garner, H. Ahlsten.

First Row—R. Griess, K. Hanson, E. Bosshardt, O. Siira, R. Murphy, J. Taffe, R. Kent.

OIVA SIIRA
Junior Captain

The great event of the year is the clash between the Freshman and Junior Football Teams. The entire student body and all of the faculty members turn out on this occasion. This year the game was played on November 7. It started out with the freshmen kicking off to the juniors, who ran the ball back to the 50-yard line. The yearlings were set on winning the game. They hammered the junior line for three consecutive first downs. Then they worked a reverse which baffled the juniors who let the freshmen run unmolested for a touchdown. The freshmen also made their extra point, making the score 7-0.

This acted as an incentive for the juniors, who proceeded to get the ball to the freshman 1-yard line, but lost the ball on downs. The freshmen kicked to the 40-yard line, out of danger. Then the juniors against lost the ball on downs. At that point the whistle sounded, ending the first half.

HAROLD DREVER
Freshman Captain

## THE FRESHMAN TEAM

Back Row—V. Norling, A. Kruse, B. Hagen, H. Maertens, F. Wille, L. Matthies, A. Amundson.

Second Row—J. Shelstad, O. Toso, J. Leuty, R. Caspers, A. Horney, L. Marthaler.

First Row—Mr. Edson, coach; R. Sieben, L. Douma, D. Richards, H. Drever, captain; L. Jacobs, G. Jacobs, H. Olson.

On Ground—H. Nicholson, L. Kent.

In the second half, the freshmen again kicked off to the juniors but this time the juniors were held in their own territory. The freshmen hit the line for a few first downs and found themselves in scoring position. They pulled a reverse and again went over for a touchdown. The try for point was good, making the score 14-0, then and at the close of the game. In the final minutes of the fourth quarter, the freshmen ran twenty yards for a touchdown, only to have it nullified due to the fact that one of their men was off-side. The game was clean and hard with an unusual amount of good blocking.

The freshmen displayed an unusually keen interest in football, there having been enough boys who reported for practice each night to have two teams. From their ranks Coach Heine will undoubtedly have some good material for next year.

1. Coach Edson arrives on the scene.
2. Just before the battle.
3. The officials confer.
4. The linesman is ready.
5. Combatants line up for the initial attack.

6. The battle is on!

7. Awaiting their turn at the front.

8. Freshmen lay plans for another attack.

9. Juniors in retreat.

10. The battle is over; combatants are still friends.

Dear Tony

Another school year almost over
It's been a headache in some ways but I don't think either one of us would trade it for anything else now as we look back at it. The Junior Senior Banquet was a gift for all of us but that too looks different now.

I'll still be seeing you next year Tony, & am wondering what will get roped into next year

A classmate

Leonard Fossum.

Dear Tony,

well another year is just about over and I know it has been very worthwhile.

Your Buddy

Dear Tony,

I'll always remember you as a fellow which liked to visit the Junior fieldhouse. A fellow which was a good sport and one had lots of fun. Last winter when the snow was a foot deep. I'll always remember the time you had a slight mishap with "Bud". You were quick as a weasel.

Dear Tony,

I can't say I don't know you as I did in "Lest We Forget" last years Moccasin. I will remember you as going with Beth K in our girls Dorm. Well that O.K. and don't let any one kid you either.

I wish you a successful future.

A Junior
Pearl Maanum

Dear Tony
I will remember you as the boy who tried to take Red B. Trick from me and Beth. Always from and with the car, and then about a week or two later you & Beth made up.

Dear Tony
I'll remember you as the
Junior boy that spent much
of his time over at the Junior girl
dorm. I don't know why but you must
of had a close friend or something
in Junior hall. Come back next year and keep
up the good work.

Dear Tony,
I don't know exactly what to write except that I've known you as a very good pal & I hope I see you next year.

P.S. Junior girl dorm is a good place, isn't it.

a school pal,
Lewis Donna

Dear Tony
I will always remember you as the little dark-headed boy that liked Betty. Well you both alright as it let it go as that. Here's to you lots of luck in the future.

A classmate
Betty

Dear Tony
I'll always remember you as one of those boys who always seemed to help occupy the back stairway of our dorm. Oh well that's O.K. it's all in fun. Ha.
Here's hoping you come back next year.
